1. From the book “Italian Verb Drills” – read, study and learn pages 52 - 55 of Chapter 5.
2. Read the screen on conjugating in the Passato Prossimo.
3. Do the basic exercise on selecting the correct auxiliary verb for the Passato Prossimo after studying the book.
4. Do the advanced exercises translating irregular past participles after studying the book.
5. Do the crossword puzzle on irregular past participles after studying the book.
6. If you have the book “English Grammar for Students of Italian” study pages 76 - 79.

You do not need to do the exercises on pages 56 - 60 yet it would give you a head start if you did. If you do decide to do these exercises do not write in your book. Instead, write your answers on a separate sheet of paper or in a notebook. This is because we will be orally going over all of these exercises in class and you need to have the answers blank for this oral exercise.
