

to be

I was being/used to be

you were being/used to be

he/she was being/used to be

we were being/used to be

y'all were being/used to be

they were being/used to be

to speak

I was speaking/used to speak

you were speaking/used to speak

he/she was speaking/used to speak

we were speaking/used to speak

y'all were speaking/used to speak

they were speaking/used to speak

to write

I was writing/used to write

you were writing/used to write

he/she was writing/used to write

we were writing/used to write

y'all were writing/used to write

they were writing/used to write

to hear

I was hearing/used to hear

you were hearing/used to hear

he/she was hearing/used to hear

we were hearing/used to hear

y'all were hearing/used to hear

they were hearing/used to hear
